

# New Jersey College and University Public Safety Association Training Announcement

The NJ College and University Public Safety Association is proud to offer the CUPSA 40 hour Basic Security Officer Training Course, class 18-01. This comprehensive training course will prepare your personnel to handle the ever changing challenges of today's Colleges and Universities.

Through quality instructors, in a "hands on" academic environment, your personnel will gain certifications in Basic First Aid/CPR, Automated External Defibrillation and Defensive Driving. They will learn the basics of patrol practices, traffic control, report writing, fire prevention, workplace safety, incident management and more.
